

Dear Students,

My name is Areesha Nazir and I am beyond thrilled to announce my candidacy for Vice President of University Relations on the Tsang Ticket. I stand before you as a passionate advocate, a dedicated student, and a proud first-generation Pakistani-American. My goal is to amplify student voices, ensuring that every student feels seen, heard, and properly represented in ASUU.

I am a third-year student double majoring in Information Systems and Marketing. Throughout my time at the University of Utah I have been involved in a variety of organizations, including those that align with my identity, studies, and passions. Serving as a student leader for the past three years has taught me how important it is to not only take higher education as an opportunity to expand your knowledge but also grow as an individual. Every student should have the right to learn and grow with equal opportunity and as Vice President of University Relations, fostering an inclusive environment for all will be my top priority.

Reclaim Campus: Our university is not just a place of study; it is our home. The Tsang Ticket is committed to reclaiming our campus for every student. Safety is a paramount concern, and we will work tirelessly to implement comprehensive safety measures, including well-lit pathways, increased rideshare services, and improved emergency response systems. Your peace of mind is non-negotiable.

Unite Community: True strength lies in unity, and our campus community must reflect this principle. We will actively work to bridge the gap between ASUU and student groups, fostering an atmosphere of understanding and collaboration. Through improved funding and open forums we aim to create spaces where every student feels valued and respected.

Empower Change: Change starts with us, the student body. We are committed to empowering each student to be a catalyst for positive transformation. As an administration we would be the voice of the students. Therefore, we believe empowering students to voice the change they want to see is how we can ensure representation for all.

Reclaim Campus, Unite Community, Empower Change: Think Pink! Vote for a campus that values every student, a community that thrives on diversity and inclusion, and a future of positive change. Vote Tsang Ticket!

Sincerely,

Areesha Nazir

Candidate for ASUU Vice President of University Relations
