

Memo on ASUU 2025 General Election Vote Counts

April 11, 2025

Dear ASUU 2025 Presidential Candidates,

Following the conclusion of the ASUU 2025 General Election, a closer review of the vote data revealed that the original published results, published on February 28, 2025, inadvertently included a small number of incomplete survey responses. To ensure the integrity of the election, only fully submitted ballots can be counted. Once this discrepancy was identified, the University Analytics and Institutional Reporting team conducted a careful review and validation of the data and notified us of this clarification on April 10, 2025.

The official verified vote count for each ticket during the 2025 ASUU General Election, which concluded on February 28, 2025 are provided below for your reference:

ABC Ticket: 1,796

Rose Ticket: 1,774

Singh Ticket: 2,237

Other: 93

Importantly, these adjustments did not impact the outcome of any race- all previously declared winners remain unchanged. This includes the Attorney General race and all Assembly and Senate races as well.

We're committed to transparency and accuracy in the ASUU Elections process and appreciate your understanding. If you have any questions or would like additional information, please feel free to reach out to me directly.

Warmly,

Sierra Canela (scanela@sa.utah.edu)
